

## VANANCHAL DENTAL COLLEGE & HOSPITAL GARHWA, JHARKHAND

### ABOUT COLLEGE.....

Vananchal Dental College and hospital is one of the premier institute of India that offers both undergraduate and post graduate courses in the field of dentistry. Our infrastructure facilities are amongst the best, having abundant patient flow, supported by our dedicated faculty who are outstanding clinicians, members of various national and international bodies, working as editors & reviewer in the various national and international journals of repute & well-versed with the latest know-how- in the ever-expanding field of dentistry. In our institute, the students are groomed to excel not only in theory but to acquire clinical skills in an ambience conducive to academic pursuits.

### SPEAKER PROFILE

Dr. Ranjeet Kumar Patil is presently working as Professor & Head in Department of Oral Medicine & Radiology, Faculty of dental sciences, KGMU, Lucknow.

He graduated from GDC, Nagpur in year 1992 & subsequently post graduated in subject of Oral medicine & Radiology from the same institute in year 1998. He has more than 20 years of UG & PG teaching experience. He is also actively involved in PhD teaching. He has delivered various invited talks in different institutions in India as well as abroad with special emphasis on the advances in Oral Radiology. He has number of national & international publications in reputed & indexed journals.

### PROGRAM SCHEDULE

CBCT offers 3-D visualisation of the complex oro-facial region with more precise information compared to the analogue/digital radiograph. It is an accurate tool for many clinical oral & maxillofacial areas of interest, with lower radiation doses than conventional CT. CBCT has gained more popularity in a short span of time & clinicians are rapidly realising the significant advantages of CBCT imaging in the present scenario.

8:30-9:00	Registration
9:00-10:00	Introduction of CBCT & Basic principles
10:00-11:00	Imaging of orofacial region
