

**VANANCHAL DENTAL COLLEGE & HOSPITAL
GARHWA, JHARKHAND**

The following initiatives were taken after attending continuous IQAC meetings

1. The Vision, Mission statement is re-written with the Vision Statement targeted towards the output and the Mission statements are directed towards the input and processes.
The following is the proposed Vision, Mission Statement:

Vision: ‘Oral Health Care For the Rural ‘

Mission:

- To produce the proficient Medical Professionals to fulfill the ever increasing demand of the modern society.
 - Quality in patient care
 - Provide access to affordable oral health care for rural people
 - Conduct need based research.
2. The functioning of the institute is categorized as:
 - Patient centered care and patient safety
 - Competency based training
 - Systems, Protocols and Metrics
 - Alignment, sustainability and values (HR)

Entire the faculty up to the Reader level is divided into four groups.

Each group will function towards the objectives that are identified under each category.

3. The staff has been sensitized regarding the dress code which will come into implementation latest by 1st October 2018.
4. **Re-scheduling of activities in the college:**

We conducting IQAC Meetings twice in a year
5. All the Postgraduates have to report to the department by 9.00am. There should be **discussions / active teaching** by PG faculty on **rotatory basis** on topics as decided by the department between 9.00am and 9.30am.
6. Patient appointments should commence from 9am onwards and clinical work should start by 9.15 am sharp.
7. It is mandatory to display the scheduled appointments against each PG and Faculty in the department and the work output should be monitored whether done as per schedule by 4.30 pm.
8. All works related to Conferences, CDE programmes, Seminars, Journal Clubs, Paper Presentations, Poster Presentations, Dissertation Discussions should be scheduled in the afternoons after 4.00 pm.
9. The HODs are further requested to analyze the amount of clinical work and the clinical material available in the afternoons in each department so that we can discuss the possibility of rescheduling the Seminars and Journal Club presentations to the afternoons from 4.00 pm
10. No patient should be dispensed without faculty overseeing the work personally and talking to the patients both in Comprehensive & PG Clinics and also monitor the appointments personally. There should be a **intense counseling** for every patient treated by both UG & PG students regarding the
 - No. of appointments required for each procedure
 - Treatment time required for each procedure during each appointment
 - Treatment charges for each procedure and schedule of payment
 - Prognosis of each treatment procedure
 - Medication required and complications
